Recruiting

- Send email to last two years' participants inviting nominations. (cna sent e-mail 3/23/11)
- Send email to re-invite people who could not attend last summer (they are on the following GooDoc: [Last summer's list of invites \(including declined\)](#). (tdd sent email 03.17--see below)
- Send email to ISI 2011 participants inviting them to apply (cna sent e-mail 3/23/11) Note: E-mail sent to 2010 ISI participants. Should I also send to ISI 2011?

Tracy sent the following email invitation to the following second-round invitees on 03.17.11:

Dear RWP Tech Aficionado:

This summer marks the fifth Advanced Technology Institute, a luxurious opportunity for tech-leaning TCs to spend time with other techieTCs; to play with a generous array of free, online programs and platforms; and to integrate select technologies into their curriculum. For more information about this summer's ATI, please visit our website at www.redwoodwp.org or follow the link to the [ATI homepage](#).

I'm not just bragging . . . or teasing. Actually, the RWP TechTeam identified *you* as someone with whom we would very much like to work again. What do you think? Might you be interested? If so, please check your calendar to confirm that you are available for all six days, and email me to express your interest . . . or to ask questions . . . or to talk through the possibilities.

Here are the ATI2011 Dates (all times 9:00-3:00, all locations TBA):

- August 8-9 (Monday and Tuesday)
- August 15-16 (Monday and Tuesday)
- September 17 (Saturday)
- October 15 (Saturday)

This is not a high-pressure deal. Actually, we limit registration for this popular offering to ensure that every participant benefits from personal attention and support. If you would like to be considered for this year's session, let me know; if you would like to be considered *next* year, let me know that; and if you want me to quit pestering you about the ATI, well, you'd better let me know that, too.

I can't help but hope there's some tandem tech time in our future, however. . . .

Catherine sent the following email invitation to ATI alums on 03.23.11:

Dear Advanced Technology Institute Colleagues,

As experienced participants of RWP's Advanced Technology Institute, this year's planning team would like to enlist your support. Will you please take a moment to nominate fellow RWP TC's you believe merit an invitation to join our 2011 Tech Institute? You will find the dates for this year's program below.

ATI2011 Dates (all times 9:00-3:00, all locations TBA):

- August 8-9 (Monday and Tuesday)
- August 15-16 (Monday and Tuesday)
- September 17 (Saturday)
- October 15 (Saturday)

Further information about the program may be found by following the link to the [ATI homepage](#). Please recommend prospective candidates by responding to this e-mail soon.

Catherine sent the following email invitation to ISI2010 TCs on 03.23.11:

Dear 2010 Summer Invitational Institute Friends,

On behalf of the Planning Team for RWP's Advanced Technology Institute, I'd like to invite you to attend the fifth Advanced Technology Institute, a luxurious opportunity for tech-leaning TCs to spend time with other techieTCs; to play with a generous array of free, online programs and platforms; and to integrate select technologies into their curriculum. For more information about this summer's ATI, please visit our website at www.redwoodwp.org or follow the link to the [ATI homepage](#).

You will find the dates for this year's institute below. Should you find yourself available and interested, please reply to this e-mail and express your interest, ask questions, explore possibilities with me, or simply declare your intention to join us!

Here are the ATI2011 Dates (all times 9:00-3:00, all locations TBA):

- August 8-9 (Monday and Tuesday)
- August 15-16 (Monday and Tuesday)
- September 17 (Saturday)
- October 15 (Saturday)

We believe this offering will provide you with the personal attention and support you need to bring new kinds of literacies into your Fall, 2011 classroom, and will help you maintain and build new relationships with your fellow RWP teacher consultants. Please do respond with interest soon, as enrollment in this program is limited.
